October 5, 1950

The U. S. Department of Agriculture has announced that arrangements have been completed to sell 5 million pounds of Government-owned cheddar cheese to the United Nations International Children's Emergency Fund for use chiefly in school lunch and child feeding programs.

PMA

The week of October 8-14, 1950 has been proclaimed by President Truman as National Fire Prevention Week. Farm fire losses amounted to about \$95 million in 1949.

PMA

The bromegrass seed crop this year of 24,100,000 pounds of clean seed is nearly three times as large as that of last year, the U. S. Department of Agriculture reports.

PMA

Since 1910 the population of the U. S. has increased from 92 million to over 150 million; and yet this year per-capita consumption of food will be 11 percent higher than the 1935-39 average, the Production and Marketing Administration reports.

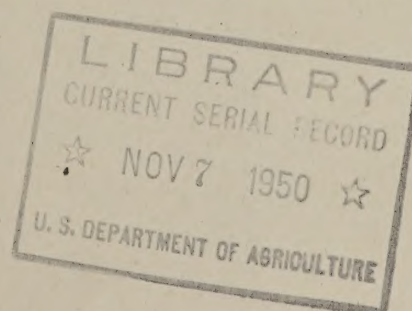

PMA

The U. S. Department of Agriculture reports that through August 1950, farmers put 70,339,140 bushels of 1950-crop wheat, barley, oats, rye, grain sorghums and flax-seed under Commodity Credit Corporation price support.

PMA

Farmers' cash receipts from marketings in the period January through July of this year amounted to 13.0 billion dollars, or 7 percent less than receipts in the first 7 months of last year, the Bureau of Agricultural Economics reports.
